Case number: 10.00318.01.CR.W.ODS
United States v. Camp et al.

Sir.

Respectfully, for the following reason, I ask
that you please recuse yourself from my case
as the Magistrate Judge, and allow my matter
to be judged by another individual, and restart
my matter from arraignment.

It has come to my attention that you have
previously collaborated with James R. Wyrsh.

esquire/attorney for my alledged co-defendant, Daniel Jo Fowler), in providing material for Publication in the Federal Forms books. Even if no monetary profit exists the combined business venture would naturally allude to a closer, more personal, level of relationship with Mr. Wyrsch - attorney for Daniel Fowler, than my own.

I wish that I could hire an attorney who has such a relationship with the presiding official. If needed I can provide the book citation, and page number to verify my claim.

WHEREFORE, I beg, plead, and pray that you null and void all past decision pertaining to my case - to include Daniel Jo Fowler's, change of plea, and remand the entire matter back to arraignment before another magistrate who is not conflicted.

Thank you kindly for recognizing this oversight, and recusing yourself. In the event you do

not agree, please grant me leave to seek an
Order from the 8th Circuit Court of Appeals, and
a stay in the current case until such time
that the Circuit Court (and/or Supreme Court),
can rule definitively on the matter.

RESPECTFULLY SUBMITTED FOR CONSIDERATION,
YOUR HUMBLE SERVANT,
